

## Scissors

### Cast Cutter Guarded

Extra-large and strong 23cm economy scissors made of stainless steel.  
 Can be used to cut all bandages and casts close to the skin due to the guarded tip.  
 The lower two finger ring offloads pressure, improving comfort when using the scissors.  
 Lower blade fine serrations offer improved grip action in the material.

Item No.	Model	Material	Length
51204	Cast Cutter Guarded	Stainless steel	23 cm

**NEW!**

### Ergo Supercut Cast Scissors

A premium pair of scissors made from Japanese stainless steel, which is extremely durable. Features Tungsten Carbide reinforced blades. The lower blade has fine serrations and a sharp-angled upper blade. The model has an innovative ergonomic top-ring "angled off-centre" to relieve pressure on the thumb for people who use the scissors daily. Two fingers in the lower finger ring also relieve pressure and improve comfort. The scissor can be autoclaved.

Item No.	Model	Length
51219	Stainless steel with Tungsten Carbide reinforced blades	18 cm

### Cast Scissors plastic handle

A practical scissors with a large plastic handle, suitable for different plastic materials. Made in stainless steel AISI 420 and autoclavable. A priceworthy alternative.
